LLOYD'S REGISTER OF SHIPPING

LONDON

GEORGE BAYLEY.

1871.

LLOYD'S REGISTER

OF

BRITISH AND FOREIGN SHIPPING.

ESTABLISHED 1834.

Notice.

From the number of alterations and additions constantly returned to this Office, it is necessary that the Register Books should be posted every week; it is therefore requested that Subscribers in London will be particular in sending their Books to this Office for that purpose.

Supplements will be sent, as heretofore, to Subscribers in the Country and those resident abroad.

Parties discovering any errors, are requested to communicate the same to the Secretary, in order that immediate notice may be taken thereof.

It is particularly requested that Subscribers leaving town will direct their Books to be sent to the Office, where they will be kept regularly posted during their absence.

As all vessels are required to be Surveyed periodically, annually if practicable, the *date of Survey* is the criterion of their state of efficiency at that time only.

By order of the Committee,

GEORGE B. SEYFANG,

Secretary.

NOTICE

TO

MERCHANTS, SHIP OWNERS, AND UNDER-WRITERS.

Extracts from the Rules relating to the Periodical Survey of Ships, and the OMISSION *of the* CHARACTERS *of Ships not Surveyed.*

SHIPS CLASSED A FOR A TERM OF YEARS.—Section 34 requires that they shall be occasionally surveyed; *Annually* if practicable. If not placed under half-time or intermediate Survey within periods not exceeding four years—or, in the case of the higher classed vessels, one half of that originally assigned to them, their Characters will be struck out of the Register Book.

Sections 54 and 59 allow Ships classed A 1 to be surveyed for continuation of their Characters beyond the time originally assigned.

SHIPS CLASSED A IN RED.—Section 60 prescribes that Ships classed A in red must be submitted to a *Special* Re-survey (in addition to the usual Annual Survey), within a period in no case exceeding *two-thirds* the period originally assigned to them. They are also liable to the half-time Survey prescribed in Section 34.

SHIPS CLASSED Æ.—Section 61 requires that they should be surveyed *Annually*, or on their return from every Foreign Voyage. If not so Surveyed, their Characters will be struck out, or they may lapse into Class E.

SHIPS CLASSED E.—Section 65 requires that they should be placed under occasional inspection, at least once in every two years.

BRITISH NORTH AMERICAN BUILT SHIPS.—Section 63 requires that they should periodically undergo a careful examination in *addition* to the Annual Survey to which they are also liable.

SHIPS OF ALL CHARACTERS.—Section 21 requires that wherever a reduced class is proposed upon a Survey held on a Ship, due notice shall be given to the owner.

Section 67 requires that the bottom of every ship be CAULKED once in every five years, unless wood sheathed and felted, and then once in every seven years. *Teak* Ships are excepted, but are subject to a Special Survey. Whenever a ship is stripped, the bottom is to be caulked *if necessary*.

The condition of the Windlass is to be ascertained by unhanging and stripping the wood linings at periods defined in Section 34, *and at all Special Surveys under the Rules.*

N.B.—In reference to the Rules above quoted, and in order to prevent the disappointment arising from Ships losing their Characters from want of Survey, it is respectfully intimated that the duty of giving NOTICE FOR SURVEY rests with the Owners, their Masters, or Agents.

GEORGE B. SEYFANG, *Secretary.*

KEY TO THE REGISTER.

The Stores of Vessels are designated by the Figures 1 and 2 :—

1. Signifying that the Vessel is well and sufficiently found.
2. That she is deficient in either quantity or quality.

Vessels RESTORED to, or CONTINUED on the Character A, will have the number of Years for which they are Restored or Continued, with the name of the Port of Survey, inserted separately under the number originally assigned, in the Eleventh Column; thus—Rest. Lon. 70-5 yrs, or Cont. Liv. 70-3 yrs. Where the term in the case of continuation has expired, the Letter "C" only will be placed before the figure denoting the number of Years for which Continuation had been allowed.

The Port where a vessel has been either Specially Surveyed, Continued, or Restored, is mentioned in the same column as the fact and date of such Special Surveys.

British North American built vessels, opened as required by the Rules, Section 63, will be marked in the Register "S.S." with the number of years that may elapse before they are again opened, and the year of survey; thus—"S.S.Cly.70-4yrs—"

Vessels marked "S.S." with a date, *in red*, denote that they have been surveyed at that time in accordance with the *second Clause* of the Rules, Section 60; thus—"S.S.Sld.70-5yrs" (in red ink).

The mark [*B.S.*] denotes that the vessel is classed subject to *Biennial Survey*. The mark [*Expl. B.S.*] denotes that the vessel is built *Experimentally*, and classed subject to *Biennial Survey*. (*See* Section 31.)

The mark (*t.s.*) with a date, denotes that the vessel has been submitted to Triennial Survey as prescribed by Rules for Iron Ships, thus (*t.s.*69). (*See* page 83).

The marks (*s.s.*Nwc.*No.*1-70)—(*s.s.*Hul.*No.*2-70)—(*s.s.*Lon.*No.*3-70) denote that the vessels have been submitted to periodical surveys, as prescribed by Rules for Iron Ships, pages 49 and 81.

When the term "alm. rb.," signifying almost rebuilt, is used, it implies large repairs, but that the Rules for Restoration have not been fully complied with.

The figures in the Eleventh column, to vessels in the Æ class, imply that they were originally classed A, for that number of Years. The cipher 0 in this Column indicates that (from inferior construction) there were NO "number of Years first assigned."

The broad A signifies that the Vessel is built of Iron.

The note * prefixed to A, thus—*A, signifies that the Vessel has been built with heavier plating than the Rules *now* require.

Ships built under Special Survey will be shown by a Cross, thus ✠. (*See* Section 28.)

In the Twelfth Column.

The Figures under the Character denote the date when the Vessel was last surveyed.

When printed in Red (except in the case of Vessels classed A 1 *in Red), they indicate that the survey has reference to the Stores only.*

When a black line appears with a date under it in the twelfth column, thus 2,70 it indicates that, at the date stated, the Vessel, either from defect or non-compliance with the Rules, was not entitled to a Character in the Register Book.
